

KARATZIS S.A. PARTICIPATED IN THE INTERNATIONAL AGRICULTURAL SHOW FIERA-GRICOLA 2016 IN VERONA, ITALY

The Group of Companies Karatzis S.A participated with great success in the International Agricultural Show FIERAGRICOLA 2016 that was held between 3 and 6 February in Verona, Italy.

KARATZIS S.A. continues to have a dynamic presence at international shows on the agricultural economy and development, participating this time in one of the largest agricultural fairs in neighbouring Italy. The 112th organisation of FIERAGRICOLA, with more than 1,000 exhibitors, hosted the Group's booth which represented Greece in the best way, presenting a broad product range in the industry of nets.

The Group of Companies KARATZIS S.A. with its continuous worldwide presence in major fairs on agriculture, aims at the expansion of its commercial growth and its customer base globally. The active commercial "present" of the Group in more than 55 countries makes KARATZIS SA an international leader in the industry of nets, while it strengthens the sense of responsibility for an even more dynamic future aiming to the further development of both the Company and the Greek trade.
