

**GIANNIS KOUNALAKIS GENERAL MANAGER OF KEN,  
KARATZIS S.A.**

---

Karatzis S.A. announces the appointment of Giannis Kounalakis as General Manager of KEN, the newly founded 100% subsidiary company of the Group, which operates within the Energy sector.

Having established its presence in the agricultural net packaging industry and its long standing investment in the Tourism and Energy sectors, the Karatzis Group, a listed company, is blazing new trails with the founding of KEN. With the aim of gaining KEN's national recognition and securing its rapid emergence as one of the leading suppliers in the country, Karatzis S.A. is entrusting Giannis Kounalakis to lead the new project.

Giannis Kounalakis' vast experience and long term of service in an executive role for leading companies in various sectors, such as Boutari, Imperial Tobacco, Vodafone (Papistas), Cosmoline and Cyta, as well as his excellent knowledge of the Greek market, make him the most suitable candidate to assume this key position with the aim of realising the KEN vision.

The Karatzis Group is responsive on a daily basis to the challenges of the new era, developing business activities in new sectors and selecting competent staff for the actualisation of its vision, with a view to contributing to the development of the Greek economy.
