NANA BEACH HOTEL RECEIVED ONE OF THE HIGHEST RATINGS AT HOLIDAY CHECK FOR THE 2ND CONSECUTIVE YEAR

Nana Beach Hotel of the Karatzis Group of Companies, which celebrates 30 years of operation, ranked among the highest for the second consecutive year at Holiday Check, one of the major travel sites worldwide with 27.000.000 visits per month.

This particular distinction holds a great importance for Nana Beach Hotel, as it is entirely based on the reviews of its guests. What is even more impressive is the fact that the hotel receives such high rating for the second year in a row, in addition to a number of other distinctions and awards that it earns every year for the high level of services it offers to its guests.

The dedication of Nana Beach team is recognised and much appreciated from the hotel's guests who don't hesitate to praise the quality of hospitality and facilities of the hotel by publishing the most positive reviews on Holiday Check's webpage. For Nana Beach Hotel and all its employees this distinction creates a challenge to maintain and further improve the hospitality experience, including the infrastructure and services they have been offering to their guests for the past 30 years.
