**At the Nana Beach Hotel All Inclusive Resort “We Do Local”**

The Nana Beach Hotel All Inclusive Resort located in the Hersonissos of Crete, passed all the evaluations and successfully joined the group of businesses, which are accredited with the “WE DO LOCAL” certification demonstrating their commitment to the promotion of local production, support of local economy and respect to the environment in their area of operation.

Following the inspection by the Cosmocert Certification Body, held on May 20<sup>th</sup> 2015, the Nana Beach Hotel collected 850/1000 points for its activities and innovative practices, highlighting Greek hospitality, traditions and customs of Crete and local gastronomy, for supporting domestic human resources as well as contributing to the local community and sustainable development. These practices promote the evolution of the island, while preserving tradition and enhancing the quality of life.

The logo WE DO LOCAL is valid for one year and corroborates the commitment of Nana Beach Hotel’s team to provide high quality services of hospitality while “ Doing Local”, with respect to the needs of the area and its people.
